Desert Hot Springs

For more Information contact: Erin Begley, Center Manager 760-329-0222

Last chance to view Senior Art Show at Desert Hot Springs Senior Center. Representing seniors throughout California, the art is a portion of the "Save the Art" program from the show at Department of Aging Offices in Sacramento. The Senior Center is open Monday through Friday 8 am to 2pm and is located at 11-777 West Drive behind the Carl May Center. The "Senior Art Show" is free and open to the public. The show will be closing July 20th.

Family Service Association (FSA) hosted Senior and Individual Inspiration Awards at the Desert Hot Springs Senior Center on May 26th, presenting over 50 awards to seniors and community members who volunteered time and service to others.

FSA is continuing to host a Senior Art Exhibit that represents seniors throughout the State of California, initially put together for the Sacramento Department of Aging Offices. When the offices were closed down due to budget restraints, Jim Levy, Chair of the California Senior Legislature, saved the art and brought it to Southern California for safety and exhibition where it is shown through Sharing Friends of the Arts throughout Southern California.

The Desert Hot Springs Senior Center is located at 11-777 West Drive behind the Carl May Center and community members are welcome to view the Art Show and also see what new programs are being offered at the Center.
